EDITORIAL

Apologies before I start, if there are any glaring mistakes this month then they are all mine. The busiest weekend in July (Show Weekend) my Co-Editor decides to book herself a holiday to PortaVentura and leaves me with it all to do - just wait, I'll get my own back later in the year.

So with Saturday out of the equation and only one of me to do two peoples jobs in half the time, I spent all of Sunday and a good few hours of Monday getting it all together, so as I say, you may well find a few mistakes, for which I humbly apologise.

What a great day Show Day was, nearly everything went like clockwork, or if it didn't I wasn't aware of it. The Show Committee and their valiant band of volunteers worked extremely hard from Friday evening through to Sunday morning, setting up and taking down. You'd be amazed at what goes on prior to and after the Show to make it a success.

Thanks must go to all those who made it work, and also to Pat Marsh for doing us the honours this year. He spent the whole afternoon here and even asked if there was anything he could help with just before he left. Thank you Pat, and thanks for all the radio plugs you gave us prior to the event, looking at the crowd it would seem it had the desired effect.

Did you come to the show, if so did you meet Mickey and Minney? We thought for a while they weren't going to make it as they rang Karen from the

M25, where they were 'going nowhere' and much later they rang again to say they couldn't get into the village as the roads were closed, but thankfully they did eventually arrive and were a great hit with most of the youngsters, although I did see one or two who were unsure and one in particular had quite a few tears outside our tent.

Most of the acts in the Showcase were really enjoyable, but the committee did have complaints about the language of one of the entertainers for which they apologised. Young Luke gave an outstanding performance and we all wish him the very best of luck in his ambition to win X Factor 2011 - he needs your votes to help him succeed, so don't forget to ring in when he's on the TV.

Sadly we have had to move our 'recording studio' from the Holiday Inn and we will now be using our office in the library for this purpose. We thank HIE for all they have done for us in the past but we realise all good things must eventually come to an end, but it was good while it lasted.

The office is nearly ready to receive visitors but not quite, although I have done a lot of work in the past week or two to enable us to use it for recording purposes, there is still a bit to do before we'll be fully operational, so I think I can safely say we will hold over the official opening until the beginning of September. So watch the next issue for details of when that will be and pop along for a cuppa with us (maybe something stronger but I'm still working on that !!)

Disappointingly we are still inundated with reports of dog fouling, we even had a batch of pictures sent in of a particular problem in the main entrance to the Rec, but the team agreed we wouldn't inflict them on our readers, however we say AGAIN - you never see dogs roaming alone, so there is no reason why there should be any fouling left on our footpaths, in the Rec, down Marsh Farm Road or along Sheriffs Court Lane. If you own a dog you are responsible for its actions, so CLEAN UP after it, leaving it for others to either step in or clear up for you, just isn't playing the game, and you should be ashamed of not doing your duty. To those who do 'pick up' please don't hang it in a tree or throw it in/over a hedge, either put it in a dog bin or a waste bin, or if you don't pass one then take it home (it doesn't bite !!) and deposit in your own bin. Thank you.

MINSTER ARMBOUTS CAPPEL TWINNING ASSOCIATION

On 26th June the Twinning trip to Armbouts-Cappel started early, with 36 people leaving Minster in the coach at 6.30 a m. A pleasant trip across the channel with a hearty breakfast was enjoyed by most people. Minster Carnival Court travelled with us, as well as some representatives of other Courts.

When we arrived in Armbouts-Cappel at 11.45 a m, French time, the day's planned activities had not started as we were a bit early, so we did not miss anything. The village entertainment started with their majorettes dancing and twirling batons. The sun came out and it got very hot. Lunch was laid on in the hall and we were entertained by a French duo and people were able to dance if they wanted.

After lunch we went to the Mayor's Parlour for the speeches and exchanging of gifts. We received a hamper full of local produce and we gave them a trophy, engraved with their coat of arms and our village sign, which is to be awarded annually for sporting achievements.

Carol Bailey received a bouquet of flowers for all her hard work with the Carnival Court and the girls from the Court, in their beautiful new dresses, performed their traditional curtsy display to the Mayor and Councillors.

By this time the village day was well under way with a fun fair and a talent competition in the hall. Our girls took part by singing and one young boy was an excellent singer, but we've yet to hear whether or not he won.

We left at 5p m French time to catch our ferry. However, owing to its late arrival, we had a wait at Calais, but it had been a most enjoyable day out.

We are now planning a quiz night and a race night so watch this space for another opportunity to support the cause and have some fun at the same time.

A diary date for next year is 27 May 2012 when the French will be visiting us.

If you would like to attend our next committee meeting, you will be most welcome at The Royal British Legion Club at 7.45 p m on Wednesday 10 August 2011.

The **Queens Diamond Jubilee** is being celebrated by an extended Bank Holiday weekend , Saturday 2nd - Tuesday 5th June 2012.

The Parish Council are considering how best to celebrate the event.

To help them make a decision it would be helpful to know what events are already being planned by streets / organisations / businesses in the village.

If you are planning an event or if you have particularly strong views on how the occasion should be marked and are willing to help organise an event then please let the Parish Council Clerk know.

The Margate Museum FREE DAY OUT !!!

With summer on its way and the children home from school for 6 long weeks it can be a strain emotionally and financially ,so it's great to find a little gem of a day out which does not cost an arm and a leg.

Margate might not be the first place you would think to visit, but apart from the stunning beach the old town is really coming into its own. As well as window shopping in the boutiques and a visit to all the little art galleries (not to mention the big art gallery on the sea front, which has free admission) a visit to the Margate Museum is a must.

It has recently been re-opened after 2 years by a team of volunteers who have put together a fascinating collection of artefacts which will interest young and old alike. The building itself was used as the court for the trial of Mods and Rockers in the 1960's and the cells where the prisoners were held are open for viewing. Admission is free, with quiz's for children about Margate,the Museum building and the curios within it. Minster CEP school took their Year 2 pupils there recently and a great time was had by all, why not give it a try?

Opening Times 11am -5pm Saturdays then 11am-5pm Saturdays, Sundays and Bank Holidays in the summer holidays.

Sue Greenstreet, MM Newshound

(Co-Editor's note: Having visited the museum recently I absolutely agree with Sue's recommendation to this attraction and would like to give high praise to the volunteers who were extremely knowledgeable within their area of expertise. They managed to teach me quite a thing or two about Margate's history - WELL WORTH A VISIT!)

MINSTER-IN-THANET WI

June's meeting started with a fantastic presentation from Michael Andrews about his VSO (Voluntary Services over Seas) experience in Papua New Guinea.. Michael retired from teaching children with special needs and wanted to do something purposeful with his retirement. From the outset Michael's talk had the WI members captivated, he spoke in Pidgin English to introduce himself. A colourful portrayal of life in Papua New Guinea and it's inhabitants followed, accompanied by photographs captured over the two years that he was there. Members were left with lots to think about particularly when it comes to how lucky we are to live where we do. As Michael said "When you have watched someone walk 40 miles carrying their child with Meningitis in their arms praying someone might be at the first aid post you will never moan about a 2 hour wait in A and E again!" Minster in Thanet WI would like to wish everyone attending The Minster Show a wonderful event, look out for us in the Parade and come and see us on our cake stall at the Show.

HIGHWAYS ACTION TEAM (HAT) - RURAL SPEED WATCH -

During the past month traffic flows in Tothill Street has been monitored in 2 areas:-

Lower - between Foxborough Lane and Fairfield Road

Upper - between Fairfield Road and Minster Roundabout

We are pleased to report that in the lower section, most drivers are driving well within the speed limit and in a careful and considerate manner. Of course, there are still exceptions and these have been identified.

However, in the upper section that is not the case! Over 20% of drivers monitored were exceeding the speed limit and some quite excessively. This applies to vehicles travelling in both directions, in and out of the village. Clearly, this warrants further investigations, and advice will be sought as to how to resolve this.

So please adhere to the temporary signs and "KILL YOUR SPEED".

Please also be aware of the 30 mph speed limit that now exists on the new road from Minster roundabout and extends all the way into Cliffsend. This section is controlled by KCC Highways Department and "Safety Camera Vehicles" are regularly deployed to monitor the traffic, to ensure the safety of the contractors and public alike.

CHRISTMAS LIGHTS - DOCUMENTARY - CHANNEL 4

Britain's best decorated houses at Christmas - Channel 4 are trawling the country for people who love nothing more than decking their houses with lights and illuminated ornaments at Christmas. We are developing a documentary for Channel 4 which will be a fun and light-hearted look at this popular British Yuletide pastime. We are trying to make contact with as many Parish and Town Councils as possible to see if :

A) they run local, annual competitions and

B) if there are any houses or streets in their communities that are famed for their decorations.

An Englishman's home is his castle. And some, at Christmas time, like nothing more than lighting up their castles with thousands of lights, flashing Santa's and reindeer, and even synchronised music.

"But They Can't" – They Did

On Monday June 7th from around 8.30am onwards, a number of Families found their world crashing around them – or so they thought.

Our lollipop lady was given the third degree, and couldn't answer the question fast enough.

"What", How! Why? When!

"But I'm the Lollipop Lady, and I walk from Monkton". She replied.

The reason became clear, parents had been warned, but didn't believe it.

The roads around Buttsfield estate to the school were closed for resurfacing. Children and Adults HAD TO WALK from Taylor Road to the School. "It's like the Olden days" one child was heard to say. (The 30 something's, many of whom I remember walking to school, are now "The Olden Days").

Not everyone was unhappy; around 9.30am one well known recycled teenager was finding life very enjoyable, with roads out of action he was cycling on the pavement in St. Mary's Road, no cars, and a huge grin on his face.

As he cycled in Molineux Road one of his contemporaries called out "get off the pavement". A roar of laughter was heard. Life in Molineux Road would never be quite the same again! *(name withheld)*

PATIENT LIAISON GROUP (MINSTER)
NON – RESIDENT SURGERY PATIENTS

In the last issue of Minster Matters for July (No.127) a letter was published “From a concerned resident” concerning patients who live outside the village. Minster Surgery, being a rural practice, does have a wide catchment area, including the villages of Monkton, St Nicholas, Acol and Cliffsend. However, with reference to the other points raised by the writer, a full reply is published below this report.

SURGERY TRAINING DAYS

The Surgery will be closed, for the purpose of staff training, from mid-day onwards, on the following days:

Tuesday 13th September

Thursday 20th October

Patients who need to see a Doctor during these times are requested to contact “Doctors on Call” via the usual surgery number – 821333.

SEASONAL FLU VACCINATIONS

As usual the vaccination program will be carried out during October, although the dates have yet to be finalised.

Patients who are entitled to a vaccination will be contacted in due course and invited to make an appointment at the surgery.

PATIENT LIAISON GROUP MEETING

The last meeting was held on the 19th July and the next is scheduled for September.

If you have any issues to raise or require further information on the topics raised, please contact;

KEN SELF on 821200 or JEAN TAYLOR on 845072

Non-Resident Surgery Patients

Dear Concerned Resident

Thank you, for taking the time to express your concerns and I would like to respond to your letter that appeared in the last issue of Minster Matters (No.127 July).

A large number of such patients are those from local families who originated from the village, and wished to remain with the surgery, which they have come to know and respect.

Minster Surgery, being in a rural area, the villages of Monkton, St. Nicholas, Acol and Cliffsend fall within the catchment area of the practise and for example, the surgery runs a weekly clinic in St. Nicholas for those patients with restricted mobility.

Also patients who become dissatisfied with their own surgery for whatever reasons, can ask to transfer to another, and as such, have been considered in the past, subject to guidelines laid down by the SE Coast PCT. However, this practise is currently under review.

The Surgery appreciates some patients have difficulties in making appointments and are always looking at ways to improve the service to their patients. However, I would like to draw the writers' attention to our newsletter on page 4 of the same issue (No.127) concerning missed appointments. One must agree that, with the high numbers involved, it makes alarming reading and is an area of concern.

Thank you ... Wendy and Jac in the school office wish to say a BIG THANK YOU to all our wonderful children and parents for the many gifts and cards we've received.

Congratulations to the Minster Carnival Court

Well done for winning 1st Float and 3rd Court at Dover Carnival, and a special WELL DONE for winning Court of the Day at Teynham.

We can also report the 'Girls' did us proud on their recent visit to France and it has reached our ears that Clara and Kizzie made a very brave attempt to sing 'In The Jungle' in French, which we are reliably informed was 'interesting' to say the least.

Well Done Girls, you are great ambassadors for our village.

Strawberry Tea... Cynthia says thank you to everybody who came and supported this annual event, once again the weather was kind to them and they raised over £600 on the day, plus other generous donations. Thanks also go to Cynthia's team of brilliant helpers. Well done

LOVE - It makes the World go round

Love can mean so many things
 Love, much security can bring
 Yet love can bring you so much pain
 Love can be hopelessly given in vain
 Love can give hope and can give strength
 To love can mean one goes to boundless lengths
 To save someone from suffering is their intent
 All done in the name of love, is what is meant
 Love is warm and tender, given by anyone to anyone of any gender

VACANCY FOR CLERK TO MONKTON PARISH COUNCIL

A vacancy will soon exist for a Parish Clerk to Monkton Parish Council.

The hours and salary are negotiable. Currently the clerk would be expected to work from home around 8 hours per week, but this is flexible.

This is an immensely rewarding and interesting position, requiring a number of interpersonal and administrative skills, giving the successful applicant plenty of scope to contribute something really useful to the Village community.

Whilst some previous experience would be an asset it is not essential. Computer literacy is a requirement and an ability to operate a small Village web site effectively.

The job includes dealing with the financial side of the Parish council matters and generally assisting the Parish councillors to carry out their responsibilities.

This position may suit an existing Parish Clerk looking to increase their overall hours.

For an informal discussion, please contact:

John Way (Chairman, Monkton Parish Council)

Tel no 01843 823063, or write, enclosing a copy of your CV, to:

10 Monkton Manor, Monkton, Ramsgate, Kent CT12 4JT.

The closing date will be Saturday August 13th, 2011, interviews for this position will take place later in August.

KENT TRADING STANDARDS

An East Kent resident received a telephone call from “a foreign sounding man” claiming to be from a

government department, advising that as the resident paid their Council Tax and did not have a criminal record they were entitled to a reward of £5000 to £7000 through a new “Good Citizen Scheme”.

The caller told the consumer that in order to release the money they needed to pay £299.00 via PayPoint.

The caller then directed the resident to their nearest PayPoint outlet.

Fortunately the resident knew this was a scam and did not carry out the caller’s request, despite numerous subsequent telephone calls received from the bogus caller chasing the payment.

Kent Trading Standards are warning consumers to be very wary of anybody contacting them purporting to be from the government. **There is no known Good Citizen Scheme.**

Please contact Consumer Direct on 0808 156 2256 or go to www.direct.gov.uk if you need further advice on your consumer rights, or want to report any businesses or incidents you have concerns about.

Kent Trading Standards have also received complaints from local businesses concerning the delivery to them of goods they have not ordered. These deliveries are followed by demands for payment.

If you have not ordered the goods you should not pay for them.

Contact the seller via a recorded delivery letter advising them that the goods were not ordered and are ready for collection.

To report any concerns you have or for details of Buy With Confidence traders call Trading Standards via Consumer Direct on 0808 156 2256. You can also visit www.buywithconfidence.gov.uk for a list of traders.

SALVATION ARMY

Not only is Minster Salvation Army celebrating its 125th anniversary but also rejoicing in the appointment of the new officers, Captains Bryn and Lyn Hargreaves, to replace Major Denise Cooper who left at the end of last year (Majors Richard and Valerie Hope who have been temporarily in charge have returned to retirement once again).

Captain Bryn grew up and attended the Salvation Army at Connah's Quay Corps in North Wales, which, incidentally was Major Val's first appointment in 1966. Captain Lyn was introduced to the Army at the age of 10 years old and was at Rugby Corps in the Midlands until she met Captain Bryn at a national event for young people. They were married 30 years ago and have been blessed with 3 wonderful children and at the last count now have 5 beautiful grandchildren. They entered the Salvation Army's William Booth College in 1997, where each new year's intake receives a unique name, and trained to be officers as part of the 'Faithful Intercessors' session. Prior to coming to Minster they served at Barrow-in-Furness, Tunstall and, for the past seven years, at Gillingham.

They said that they wanted 'To greet you all in the name of Christ and say how pleased we are to be appointed to Minster Corps'.

There is only one scheduled change to activities in August. On the 21st at 5.30 pm we shall be joining at Cliff's End Church for an open air 'Songs of Praise'.

1. Planning/Development

a. 13 Augustine Road development has been refused on the grounds of over-development.

b. The Chief Executive of Manston Airport will meet with the Parish Council to discuss the airport's development. The current 106 agreement still stands but a new agreement will be submitted by Infratil to TDC.

2. Events

a. It was agreed that Public opinion would be sought as to what event the Parish Council should be involved in for the Queen's Jubilee Celebrations. It was noted that events should be co-ordinated in the Parish and perhaps with other local parishes.

b. There is a trip hazard on the Tarmac outside the Indian Takeaway and this will be addressed by Highways

c. Door-to-Door sales persons have been reported to their Company because of their conduct and pressured sales techniques.

d. There has been a burglary where entry was gained through open patio doors – the Warden asked for residents to be particularly vigilant during the hot weather.

CHURCH NOW KEPT LOCKED !!

It has recently come to our attention that, sadly, our church is now having to be kept locked, due to vandalism and damage caused by a minority in our community.

Now we have visitors who are unable to view the interior of our beautiful church except when a keyholder or the Vicar are in attendance.

Such a shame. Let us hope matters can soon be put right and those responsible are dealt with appropriately, then once again we may be able to access to the church without having to inconvenience another to have it unlocked. It would be a real shame if we cannot get back to the way we were, with uncontrolled access available to all when the church wasn't in use.

Can You Find Us A Home ?

Sid and Tommo came to the Woodchurch Centre from a multi-cat household last September. The other cats from the household have now found good homes but Sid and Tommo are still looking.

They were underweight and quite nervous, having never been out or played with toys, but are steadily gaining confidence and are now friendly and affectionate.

They both have slight heart murmurs but are not on any medication and only need to be checked once a year, by a vet, when they have their vaccinations.

They need a quiet home with no children where they can be the centre of attention and love.

Journalist club.

The children section in the Minster Matters would not exist

If it was not for Ray and Miss Wood. I think everybody should say a big thank you

to them for setting up such a great club. I am honoured to be part of it.

THANK YOU!

Take That

On the 30th of June my mum went to go and see Take that at Wemberly stadium. My mum ordered a Take that t shirt on Amazon. The day before it came she got a t shirt which was from her sister and got her to wear it when she goes. My mum was at the front of the stage and she got to touch Robbie's hand.

Sports Day

On the 13th of July 2011, Minster CEP school had their sports day.

We did lots of fun sporty things and at the end we did a Relay. It was so cool, you could see who is the fastest in the school.

There was also a Teachers race.

There was a Mums race and a Dads race.

We did lots of different things. There were so many things we did that I cannot name them all.

We had lots of fun. The Mums and Dads could watch if they liked and we appreciated their support.

There were lots of supporters there, watching everyone. So it was a very good day.

Skittles

You get so many different flavours. There is even a new flavour called blueberry! Here is a list of some of the flavours: strawberry, apple, lemon, blackcurrant and we can't remember the rest!

The new blue skittles make your tongue turn blue!!!!

Our favourite flavour is Strawberry!

CU SOON

Rinah the Muffin & Penny the Cookie

P.S. A special mention to our good friend Flick!!!

GENERATION GREEN

On Wednesday the 6th of July, one or two children from each class, went to the school garden and planted a tree, as well as having a tree party. We also had some goody bags. We planted the trees because British Gas gave Minster School £50!! By Georgina Graham!!!!

Tea with the Queen!

Helen Saunders and her mum went to see the Queen this week for a tea party. Helen Saunders is my Aunty. She said that the tea party was very big!

Miss Wood

Miss Wood is an amazing teacher who runs Journalist Club. Unfortunately I have not been lucky enough for her to teach me but I know that she is very good at teaching anyway! In my last year at Minster I have been in Journalist Club and Miss Wood has always been really friendly and supportive to everyone here!

Jedward !!!

Jedward are great singers but some people are different and hate them.

I like them because of their hair and their amazing singing.

I have seen them at the winter gardens before and I enjoyed it a lot.

They are the best and can do handstand for over a minute because they did it at the concert.
