EDITORIAL

First and foremost I must say a huge thank you to Jack for answering our plea for an Android phone. A brand new

Samsung handset was more than we could have wished for, far superior to the very beaten up second-hand Orange Rio we had originally and which we couldn't use for much needed emails. Rest assured it is already being put to very good use.

Secondly but no less importantly I must also say a huge thank you to Olive who kindly left me a large piece of Bread Pudding at the library, it was absolutely delicious.

I should also mention that a new business is about to open its doors in the village.

Quirky's, run by John and Tania, is

moving into 79 High Street and they'll be selling

'upcycled' and vintage items such as china, clothes, furniture etc. Let's hope they make a go of it as it will mean one less unoccupied shop in the village and as it's something that bit different it may attract outsiders to visit, which in turn could be of benefit to other businesses in the area. We at MM wish them every success especially as they've already taken out an advert with us.

Great news from the Parish Council re their Sport England funding, I believe it could mean the new facilities may be built before the end of the year, weather

permitting.

Well I've no space to write much more so I'll quit whilst I'm ahead.

THE SHED

Minster Matters can now report that following the article in last month's magazine the Parish Council have received a number of favourable requests for the opening of a 'Shed'

and some council representatives have been to view a possible venue in the heart of the village.

Be you male or female, if you are interested in learning new skills or

hobbies, or sharing your own skills and experience with others, please ensure you contact the Parish Office as soon as possible and leave your name, address and a contact number.

If the number of interested persons continues to rise the Parish Council will organise a public meeting to discuss the venture further.

STREETLIGHT CONSULTATION - HAVE YOUR SAY

Kent County Council are at present running a consultation on night-time street lighting across the County. To participate in the consultation either go online for the questionnaire at:

<http://consultations.kent.gov/consult.ti/str>

or complete a form, available from their

website as a download or you can pick up a copy at the library. The consultation closes on Sunday 29 November.

THANK YOU

We would like to extend our truly heartfelt thanks to the very kind lady who took our families pet cat to the vet for treatment after it was knocked down outside of Ben's.

Sadly the cat didn't survive but the kindness shown at such a sad time was really appreciated by us all.

Again sincere thanks, Pat and family.

MINSTER BOWLS CLUB

At Thanington Without on Sunday 11 October in the ARCA Triples the team of Maureen Hedges, Paul Churchley, and Brian Hedges finished Runners-up to ARCA 1. Whilst on the same day at Capel-le-Ferne the team of Myrna Elson, Ian Rouse, and Trevor Elson finished Runners-up to Capel.

The Short Mat season is now under way with the 'Wednesday Pairs' Competition League in progress up until Christmas. Our EKSMBA League teams of Hinds, Abbots and Monks have played their first matches with only the Abbots so far recording a victory.

Hon. Sec. Brian Morpew

Did you see in the press:-

30 minutes of exercise reduces death by 40%. A 60 year old could reach 84 easily.

That is why you should join Minster Bowls Club. If you want exercise, enjoy having your leg pulled, and love hearing laughter then TUESDAY'S and THURSDAYS are the days for you.

For more serious bowling, matches against visiting teams, club competitions and playing away in friendlies are also available. Transport required? We can do that as well.

Just watching our own better players

taking part in competitions offers enjoyment.

We are the friendliest people in the village.

LET US PROVE IT !

G.H.

TWINNING ASSOCIATION REPORT

A short report this month. I hear that sigh of relief!

Our Quiz Night on Saturday 19

September was a great success with 128 guests

attending, the most we have seen for some time. The winning team were visitors from nearby Sturry and they walked off with wine to celebrate their success. Thanks goes to the Royal British Legion and staff for the use of their hall and for making a wonderful buffet as always, to Quizmaster Ian, and to everyone for entering into the fun of the evening. We are organising our next quiz for March 2016, so get keyed up on your knowledge.

Our AGM is to be held at the Neighbourhood Centre at 1930hrs on

Friday 13

November and everyone is welcome. We would like as many as possible to attend. As well as the Election of the Officers and Committee, we are actively looking for volunteer helpers for our future events.

Saturday 14 November is to be our Race Night in the Village Hall. O'Sheas Bistro are supporting this event and will be putting on a 3 course meal at £15 a head, with choices for each course. In order for them to cater accurately, and for you to choose your meal, all queries need to go through them directly on 01843 823 091 or 07731 662 864, so get

a table together and call them now to secure your place.

We look forward to seeing you on both occasions.

MINSTER SHOW AGM REPORT

The Show AGM held at 8pm on Friday 16 October at the Neighbourhood Centre was attended by seven members of the Committee, Vice President Sid Griffiths and two members of the public. Sadly the Chair, Dominique Vaughan was unable to attend due to recent hospitalisation and Vice Chair Karen Brazil was absent due to a flight delay

back from the USA. Danny Day took the Chair and after receiving additional apologies for Alison Ainsley and Lindsay Grossmith, business was brisk as there were no Minutes available from the previous AGM, due to the Minutes Secretary also being away. With both the Treasurer's and the Chair's report given by Treasurer Caroline Fleming and the committee accepting them as a true record, matters moved on to the election of committee and officers. All standing members were re-elected including those who were absent plus the two members of public were also accepted onto the committee. The 5

year review of the Constitution was

undertaken and it was agreed that no changes needed to be made. With no further business to discuss and nothing raised in AOB

Acting Chair Danny Day closed the meeting at 8.40pm.

MINSTER W.I.

Our October meeting was a crafty one, we made apples or pumpkins from old paperback books.....simple but effective!

There was a display of photos from our celebration of the WI centenary which was a delicious afternoon tea at St

Augustine's. Members had helped make a banner

celebrating the event, there was delicious food, some fizz, a beautiful cake made and decorated by two of our members and of course, good company. We have had a bench made as well, to celebrate the event, that we hope to put somewhere in the village.

COFFEE MORNING FOR MACMILLAN

On Friday 25 September the Minster and Monkton Royal British Legion took part in 'The worlds biggest coffee morning' for Macmillan Cancer Support. There was tea and cakes and a raffle. All items

were very kindly donated and a total of £410 was raised.

A big thank you to everyone who came and supported this event and a special thank you to Kathryn for organising it

Minster Parish Council awarded £66,220 of funding from Sport England

Minster Parish Council is among 148 local sports projects to secure a share of £9 million of National Lottery funding from Sport England's Inspired Facilities fund.

Minster Parish Council Chairman, Cllr.

Bob Grove, said: “We are delighted to have secured this amazing investment, which means we can provide free sports facilities for all ages to use. Additional facilities will be available for Minster School and also local netball and tennis groups where it has been generally recognised there has been a shortage of venues. It will also provide for football, basketball, netball and tennis.

The Parish Council recognise the need to encourage exercise to tackle society’s problems with health, obesity, general fitness and well-being and these are important factors that the Government has urged local communities to address. The Parish Council is committed to

providing these facilities to achieve this goal and also to give the young an avenue to engage in meaningful activities”.

Minster`s MP, Sir Roger Gale, has said:

“I am absolutely delighted that Sport England has made this award to enable the provision of a multi-sports facility for the village. I am certain that this will make a significant contribution to the health and well-being of the whole community and of the young people of the village in particular. I really look forward to seeing this project now brought to completion as soon as possible”.

DRIDEX VIRUS (You may of heard this on the news this month)

A hi-tech new virus targeting online banking users has stolen £20 million in the UK alone, according to the National Crime Agency. It was developed by a ‘technically skilled’ gang of international criminals, and used to gain access to banking details. It was spread via email, often disguised as Microsoft Office documents – and remains on users’ computers after infection.

A spokesperson from the National Crime Agency says, ‘This is a particularly virulent form of malware and we have been working with our international law

enforcement partners, as well as key partners from industry, to mitigate the damage it causes.

Worried? Here's what to do

1) Check your bank statements to look for unusual transactions.

The malware was controlled by a group of criminals, some of whom have already been arrested. The 'botnet' they used to control home PCs has been shut down.

This means that any thefts are likely to slow down, at least for now.

2) The group – 'Evil Corp' – targeted

businesses over home users.

The virus spread via infected emails, with attachments which resembled Microsoft Office documents. If you received anything suspicious, check your computer equipment.

3) The virus should be picked up by up-to-date antivirus software. Run a check on your PC. If you find signs of infection, check with your bank.

**St Mary's Church: Gift Service
Sunday 6th Dec: 10.30am**

The Benefice of the Wantsum Group is pleased to repeat our support for Tools with a Mission (TWAM) again this year.

In Africa and other areas around the world there are many schools that have little or no reading or writing material. Sometimes the only person with a book or writing material is the teacher.

TWAM works with schools to provide suitable textbooks and with our help would like to provide individual 'Scholar Packs' for each child to help with their learning.

How does it work?

Plastic document wallets are supplied by TWAM ~ these are available in

advance from the Church ~ and we are asked to fill them with the following new items and bring them along to the Gift Service on Sunday 6 December:

A4 Writing Pad

Pack of Pencils and Biro Pens

Pack of Colouring Pencils, not felt tip

Geometry Set. i.e. ruler, protractor and square

Rubber and Pencil Sharpener

Small Calculator

If, instead of filling a wallet you prefer

to make a financial contribution to this initiative, special envelopes will be available

If you would like to order a pre-filled scholar pack you can order one from the Church or please speak to the Churchwardens, or you can ring either Rev Richard Braddy on 821

250 or Sally Willins on 822 428

AMBER'S ADVICE

Perhaps perseverance has been the radical principle of every truly great character (J. Foster)

TIGER'S TIP

Smells will disappear from a saucepan if you boil a little white vinegar in it.

Zac's Musings

Looks like we're in for a couple of weeks of real upheaval in our house. Old kitchen ripped out and a whole new one going back in OH!! what a nightmare, my throat could possibly be quite sore by the time the workmen leave, it'll be 9 to 5 barking for sure, especially if I'm shut in the living room, what I want is to be in amongst it all, that way at least I'll probably be quieter if not completely silent. Don't suppose my mates in our aquarium will like all the banging and drilling either, but the

old boy has told me it'll be better when it's finished. I don't really care as long as I still get fed!!
